Installation

Please follow TCNA and NSI Installation Guidelines for proper installation.

No natural stone is stain-proof. Please apply a surface sealer for stronger stain-resistance. Please consult with your installation specialist to determine the most appropriate sealer for your specific needs.

Disclaimer

Please confirm the available quantity shown on this page with one of customer service specialists prior to your order. There may be incoming materials which are yet to enter our inventory. Images shown on this website are only indicative of the stone. Stone shade, veining, tone and hue as well as other features of natural formation may vary. No piece of natural stone is identical to one another. Please request your sample before purchase. It is the responsibility of clients and installers to ensure proper use, installation methods, and precautions are taken to achieve the proper system.
